Activities that Both Occupations Have in Common		Similarity of Focus Occupation to Associated Occupation: 96
Focus Occupation: Atmospheric, Earth, Marine, and Space Sciences Teachers, Postsecondary (25-1051) Associated Occupation: Environmental Science Teachers, Postsecondary (25-1053)		
Work Activities	Exclusivity of Activity	
Advise governmental or industrial personnel	28	
Advise students	49	
Analyze scientific research data or investigative findings	27	
Collect academic research data	62	
Compile bibliographies of specialized materials	54	
Conduct laboratory research or experiments	57	
Conduct research on work-related topics	44	
Convert information into instructional program	38	
Design classroom presentations	45	
Develop course or training objectives	42	

Develop instructional materials	38
Direct and coordinate scientific research or investigative studies	27
Encourage group participation	54
Evaluate student performance	46
Maintain educational records, reports, or files	43
Make education presentations	46
Organize educational material or ideas	41
Prepare educational reports	44
Record student progress	46
Teach college level courses	54
Use computers to enter, access or retrieve educational data	46
Use library or online Internet research techniques	21
Use oral or written communication techniques	1
Use public speaking techniques	13
Use teaching techniques	29
Write research or project grant proposals	33
Write scholarly or technical research papers	36

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.

Tools and Technologies that Both Occupations Have in Common

Similarity of Focus
Occupation to Associated
Occupation: n/a

Focus Occupation: Atmospheric, Earth, Marine, and Space Sciences Teachers, Postsecondary (25-1051)

Associated Occupation: Environmental Science Teachers, Postsecondary (25-1053)

Tools and Technologies

Exclusivity

Tools and technology data is unavailable for one or both occupations.

Not all positions in these occupations will necessarily use all of the listed tools and technologies. The exclusivity rating is an indication of how unique the tool or technology is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations use that tool or technology.
